Joe – Sorry for the delay in getting back to you. I was off on Friday and am just catching up now. We really appreciated the opportunity to sit down with you and discuss our concerns with the VY decommissioning. We appreciate that our information request is fairly extensive and understand how Entergy would benefit greatly for a few additional days to provide the Agency a more complete and comprehensive response to our letter. We will grant you an extension to Friday, March 27th, 2015.

I look forward to receiving your response on Friday.

Chuck

Subject: Meeting Follow-up & Request for Additional Time
Importance: High

Good Afternoon Chuck,

I want to thank Richard, Steve and you very much for meeting with us yesterday at your offices in Montpelier to discuss the March 6th, 2015, Request for Information and Records letter and to establish expectations and points of contact for

future interactions. I thought the meeting was extremely productive and an excellent first step in working collaboratively on near and long term work at Vermont Yankee within your Division's oversight.

Our team is working on the response to the letter and would benefit greatly for a few additional days to provide the Agency a more complete and comprehensive response to the questions contained in your letter.

I would appreciate greatly if I can request an extension to Friday, March 27th, 2015 as some of the information requested relies upon outside resources and to allow us more time to provide a schedule for those items that are not readily available by the original response date of Tuesday, March 24th (14 days after receipt of the letter).

I would appreciate your response and decision by e-mail or letter as to ensure I have a reference to document granting this additional time.

Please feel free to contact me on my cell phone (number listed below) if you would like to discuss this request or have any questions.

Thanks and regards,

Joe
