BVY 15-041

June 11, 2015

Mr. William M. Dean, Director
Office of Nuclear Reactor Regulation
U.S. Nuclear Regulatory Commission
Washington, DC 20555

SUBJECT: Pre-Notice of Disbursement from Decommissioning Trust
Vermont Yankee Nuclear Power Station
Docket No. 50-271
License No. DPR-28

Dear Sir:

In accordance with Vermont Yankee Nuclear Power Station (VYNPS) Renewed Facility Operating License Condition 3.J.a.(iii), the decommissioning trust agreement must provide that no disbursements or payments from the trust, other than for ordinary administrative expenses, shall be made by the trustee until the trustee has first given thirty (30) days prior written notice to the NRC.

Article IV, Section 4.05 of the Master Decommissioning Trust Agreement by and between Entergy Nuclear Vermont Yankee, LLC (ENVY) and The Bank of New York Mellon, successor by operation of law to Mellon Bank, N.A. as Trustee, provides that no disbursements or payments shall be made by the Trustee, other than Administrative Expenses in accordance with Section 4.02 of the Master Trust Agreement, until the Trustee has first given the NRC thirty (30) days prior written notice of payment; provided, however, that no disbursement or payment from the Master Trust shall be made if the Trustee receives prior written notice of objection from the NRC Director of the Office of Nuclear Reactor Regulation.

This letter provides the NRC written notification of The Bank of New York Mellon’s intent, upon receipt of a completed Disbursement Certificate from ENVY, to make a disbursement from the VYNPS nuclear decommissioning trust. The disbursement is payment for decommissioning costs, as incurred, not to exceed (without a supplemental 30-day notice to the Director) $6,500,000 at VYNPS, for the period of June 2015. ENVY has confirmed (or prior to the corresponding disbursement shall have confirmed) that the payments to be disbursed are for legitimate decommissioning expenses.

The disbursement from the VYNPS nuclear decommissioning trust in the amount described above is planned to be made thirty (30) days following the date of this letter, unless the trustee receives prior written notice of objection from the NRC Director of the Office of Nuclear Reactor Regulation.
This letter contains no new regulatory commitments.

Should you have any questions concerning this letter or require additional information, please contact Mr. Glen Metzger at 412-234-0573 or Mr. Christopher Wamser at 802-451-3102.

Sincerely,

David Ryan
Managing Director
The Bank of New York Mellon
