

The logo for Safely Store VY is a green banner with a dark teal border. The text "SAFELY STORE VY" is in white, bold, uppercase letters. Below it, "CONTINUE THE LEGACY" is in a smaller, white, uppercase font, flanked by two horizontal white lines.

SAFELY STORE VY
— CONTINUE THE LEGACY —

Nuclear Decommissioning Citizens Advisory Panel (NDCAP)

June 25, 2015

A decorative graphic at the bottom of the slide consists of a blue wave-like shape with a fine, diagonal hatched pattern, set against a solid black background.

Introductions

Joseph Lynch
Government Affairs Manager,
Entergy Vermont Yankee (ENVY)

VY Decommissioning Update

The focus of Entergy Vermont Yankee (VY) and its Employees continues to be our ongoing commitment to Safety.

- ▶ **Decommissioning Preparation Activities**
 - System Draining/Lay-Up (50 Systems/15 In Progress/8 Complete)
 - Building Power and Services Removal – Ongoing
- ▶ **Security Plan Changes**
 - Hardening of internal defensive positions
 - Bullet Resistant Enclosure (BRE) modifications
 - Security back-up power supply modifications
 - NRC/Nuclear Security Incident Response (NSIR) on-site review of Phase 1 changes conducted June 16-17, 2015 (5 person team)
- ▶ **Emergency Plan Drill – June 10, 2015**
 - Part of ongoing training and Emergency Response Organization (ERO) qualifications.

VY Decommissioning Update (Cont'd)

The focus of Entergy Vermont Yankee (VY) and its Employees continues to be our ongoing commitment to Safety.

▶ Vermont State Agency Interactions

◦ Public Service Board (PSB)

- A Status Conference was held before the PSB on April 29, 2015 to discuss Docket No. 8300 seeking a Certificate of Public Good (CPG) authorizing the construction of a 2nd ISFSI pad and a new 200 kW diesel generator.
- A Site Visit/Tour of VY and Public Hearing was conducted on June 4, 2015. The Public Hearing held at Vernon Elementary School included comments from six (6) members of the public.
- Response to first set Discovery requests were submitted to the PSB on June 17, 2015.
- The second round of Discovery is scheduled in July of 2015.

VY Decommissioning Update (Cont'd)

The focus of Entergy Vermont Yankee (VY) and its Employees continues to be our ongoing commitment to Safety.

▶ Federal Agency Interactions

◦ Nuclear Regulatory Commission (NRC)

- On June 17th, 2015, the NRC granted Entergy Vermont Yankee (ENVY) an exemption from the NRC's regulations that would allow Vermont Yankee to use the decommissioning trust fund to pay for costs associated with operation of the spent fuel pool and dry fuel storage installation.
 - Similar exemptions have been approved for other decommissioning facilities including San Onofre Nuclear Generating Station, Kewaunee Power Station, Zion Nuclear Power Station and Crystal River Nuclear Power Plant.
- On June 18th, 2015, Dan Dorman, NRC Regional Administrator (NRC Region 1) and Joe Nick, Deputy Director, R1 conducted a site visit and were provided an overview of the Decommissioning Project.
- The on-site NRC Resident Inspector will be transitioning to an inspection-based oversight of Vermont Yankee commencing June 26th, 2015.

Open Communication and Transparency

- ▶ Tours for key stakeholders continue
 - Japan Engineers Federation (JEF) Site Visit – June 5, 2015 as part of "Study Mission on Nuclear Decommissioning in USA"

Open Communication and Transparency (Cont'd)

- ▶ **SAFSTOR Matters – Monthly Cable TV Show**
 - Episode 1 – Decommissioning Overview (April)
 - Episode 2 – Emergency Planning (May)
 - Episode 3 – Dry Fuel Storage (June)

Open Communication and Transparency (Cont'd)
