VY Decommissioning Update (Cont'd)

The focus of Entergy Vermont Yankee (VY) and its Employees continues to be our ongoing commitment to Safety.

▶ Vermont State Agency Interactions

◦ Agency of Natural Resources (ANR)

- Issued a Request for Information (RFI) and Records to VY on March 6, 2015 as a follow-up to the Site Assessment Study (SAS) and recent work at the site.
 - Meeting held between VY and ANR on March 19, 2015 to discuss the RFI, seek clarification on certain questions.
 - Response to the RFI was provided to ANR on Friday, March 27, 2015.
 - A Supplemental Request for Information and Records letter was received on May 18, 2015 with a requested 14-day response.
- Representatives from the ANR Department of Environmental Conservation, Waste Management & Prevention Division conducted a site inspection and data review specific to hazardous material management on May 18, 2015
 - Minor issues with labeling, waste characterization and inventory records were noted and subsequently corrected.

VY Decommissioning Update (Cont'd)

The focus of Entergy Vermont Yankee (VY) and its Employees continues to be our ongoing commitment to Safety.

▶ Vermont State Agency Interactions

◦ Department of Health (VDH)

- Issued a Request for Information (RFI) and Records to VY on April 2, 2015 regarding asbestos and lead control compliance.
 - Response to the RFI was provided to VDH on Wednesday, April 22, 2015 providing the requested information and to set-up a face-to-face meeting to discuss any questions. No response from VDH to date.

◦ Public Service Board (PSB)

- A Status Conference was held before the PSB on April 29, 2015 to discuss Docket No. 8300 seeking a Certificate of Public Good (CPG) authorizing the construction of a 2nd ISFSI pad and related improvements including installation of a new 200 kW diesel generator.
- The PSB issued a Scheduling Order on May 6, 2015.
- Public Hearing will be conducted on June 4, 2015.

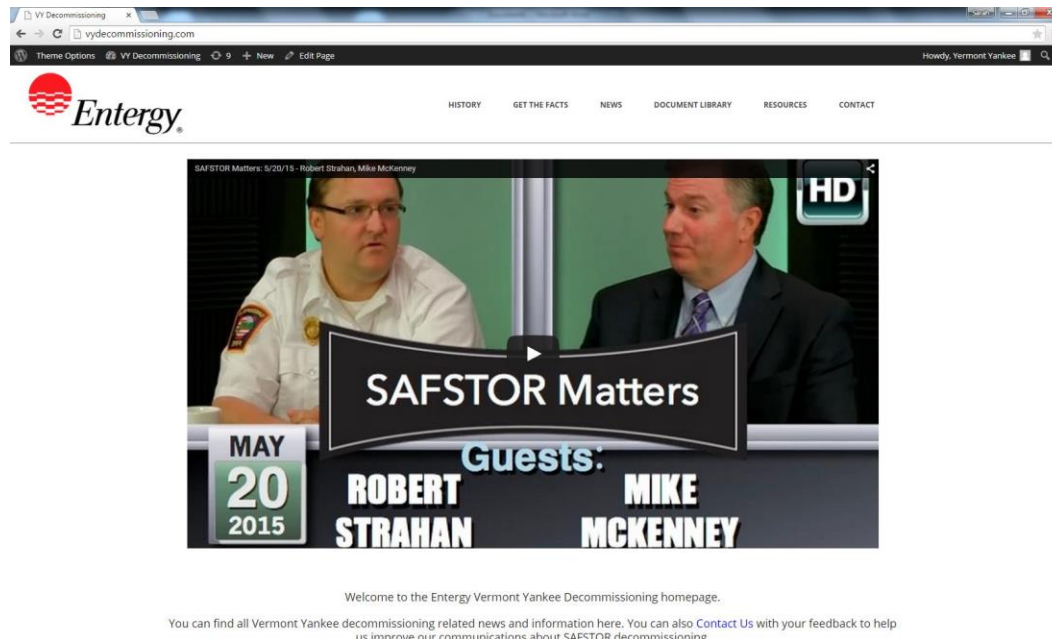

Open Communication and Transparency

- ▶ VY Decommissioning Informational Forum was held at Greenfield Community College on April 14, 2015.
