Dear Ms. Whitney:

The Department of Public Service, the Agency of Natural Resources, and the Attorney General's Office respectfully inform the Public Utility Commission (Commission) that early next week they will meet, in person and or by telephone, with Joint Petitioners and counsel for all other interested parties to review the terms of an amended financial assurance proposal that Joint Petitioners have developed responding to concerns raised by parties in this docket. The parties are not now in a position to seek action from the Commission, but wish to inform the Commission of this significant development and of the possibility that the Commission soon will receive further information in this regard.

The Department is filing this letter electronically via ePUC.

Sincerely,

Stephanie Hoffman
