

NDCAP meeting set for Feb. 22

Panel will not meet in January

The Vermont Department of Public Service [announced](#) that the Nuclear Decommissioning Citizens Advisory Panel (NDCAP) will not meet in January and set the next meeting date for Thursday, Feb. 22, 2018, beginning at 6:00 pm.

The meeting will be held in the multipurpose room at Brattleboro Area Middle School, 109 Sunny Acres Road, Brattleboro, Vt. The agenda for the meeting will be announced at a future date.

All meetings of the NDCAP are open to the public.

Remote Access will be available for the Feb. 22 meeting. Please email Tony Leshinskie, Vermont State Nuclear Engineer at anthony.leshinskie@vermont.gov or via PSD.NDCAP@vermont.gov to request a remote access connection. Remote access requests should be made no later than 5:00 pm on Feb. 21, 2018.

The video recording, agenda, and meeting materials for the Panel's most recent (Nov. 16, 2017) meeting are available below.

Public comments and questions regarding Vermont Yankee's decommissioning may be emailed to the panel at PSD.NDCAP@vermont.gov

All emails sent to NDCAP become public record.
