Re: **Docket No. 8880** - Joint Petition of NorthStar Decommissioning Holdings, LLC; NorthStar Nuclear Decommissioning Company, LLC; NorthStar Group Services, Inc.; LVI Parent Corporation; NorthStar Group Holdings, LLC; Entergy Nuclear Vermont Investment Company, LLC; and Entergy Nuclear Operations, Inc., and any other necessary affiliated entities to transfer ownership of Entergy Nuclear Vermont Yankee, LLC and for certain ancillary approvals, pursuant to 30 V.S.A. §§ 107, 231, and 232

Dear Ms. Whitney:

On behalf of the Department of Public Service (the “Department”), please find enclosed revised public versions of the Prefiled Testimony of Daniel S. Dane, Prefiled Surrebuttal Testimony of Warren K. Brewer, and Exhibit DPS-WKB-32 to Mr. Brewer’s surrebuttal testimony.

The enclosed filings are submitted pursuant to the Public Utility Commission’s (“Commission”) determination that certain information was not entitled to confidential treatment and therefore should be removed from seal. That information was identified by the Commission in the “Protective Order for Prefiled Evidence” entered on January 11, 2018 and “Order re: Requests to Reconsider Certain Determinations by Commission in Protective Order for Prefiled Evidence” entered on February 1, 2018.

The enclosed filing also removes from seal certain portions of Mr. Dane’s testimony that Joint Petitioners previously agreed was non-confidential, as memorialized in the “Department of Public Service’s Notice of Availability of Additional Public Testimony” filed by the Department on September 11, 2017.

Sincerely,  
  
Stephanie Hoffman
