Re: **Docket No. 8880** - Joint Petition of NorthStar Decommissioning Holdings, LLC; NorthStar Nuclear Decommissioning Company, LLC; NorthStar Group Services, Inc.; LVI Parent Corporation; NorthStar Group Holdings, LLC; Entergy Nuclear Vermont Investment Company, LLC; and Entergy Nuclear Operations, Inc., and any other necessary affiliated entities to transfer ownership of Entergy Nuclear Vermont Yankee, LLC and for certain ancillary approvals, pursuant to 30 V.S.A. §§ 107, 231, and 232

Dear Ms. Whitney:

On behalf of the Department of Public Service, the Agency of Natural Resources, and the Attorney General's Office (together, the "State Parties"), this letter follows the filing submitted to the Public Utility Commission ("Commission") on October 19, 2018, by the parties listed above (collectively, the "Joint Petitioners").

The State Parties agree that in light of the supplemental prefiled testimony submitted by Joint Petitioners, additional process in this docket is unnecessary following the Nuclear Regulatory Commission's orders of October 11 and October 12. The State Parties would not object, however, if the Commission determines that additional process would be helpful before it issues its order on the Joint Petition.

Respectfully submitted,

James Porter
Director for Public Advocacy
Vermont Department of Public Service
