Dear Mrs. Hudson:

On behalf of Entergy Nuclear Vermont Yankee, LLC, and Entergy Nuclear Operations, Inc. (together "Entergy VY"), by hand delivery we are filing at the Vermont Public Service Board ("Board") the discovery responses to the Third Set of Information Requests from:

1. Agency of Natural Resources ("ANR");
2. The Department of Public Service ("DPS"); and
3. The New England Coalition Inc. ("NEC").

We are also filing with the Board the non-privileged, non-confidential documents that are being produced in response to these requests and subject to Entergy VY's written responses and objections. We are also providing a copy of the filing on CD-ROM.

Entergy VY has identified certain responsive documents as Allegedly Confidential Information. Entergy VY is providing these documents to DPS and the Board under seal as Allegedly Confidential Information, subject to and in accordance with the Protective Agreement dated June 18, 2015 ("Protective Agreement") and the Protective Order to be issued by the Board in this docket. By separate mail, we will be providing an averment identifying this information and providing the basis for confidentiality.

By separate mail we will file with the Board the original of all affidavits signed by the persons responsible for preparing one or more of Entergy VY's written responses.

We certify that we have served via Federal Express two copies of this filing to each requesting party noted above and one copy to all remaining parties on the Service List. In addition, we have

sent a copy of responses to all parties by electronic transmission. Many Attachments have been provided in hard copy form; however, in instances where the Attachments are voluminous, we have only provided them on CD-ROM.

Counsel to Entergy VY is prepared to work with each party's counsel who has difficulty opening or viewing any document produced in the Attachments identified in the written responses. Please contact my colleague Laura Bezio at (802) 258-3070 if you have difficulty accessing documents provided on the CD-ROMs.
